d. The Association shall maintain, or provide for the maintenance of, the Common Areas and all Improvements thereon, except 15' wide access easement on the northern boundary of the property shall not be maintained by the Association for roadway purposes.

e. The Association shall maintain or provide for the maintenance of all landscaping and vegetation (including without limitation, grass, mass plantings, shrubs and trees) on Common Areas and shall keep such vegetation properly trimmed, mowed, cut, watered, fertilized, planted and replaced so that it provides an attractive appearance.

f. The Association shall be responsible for the removal of graffiti on the exterior of Subdivision walls adjacent to the Open Space Tracts.

g. No management agreement entered into between the Association and any professional management company (whether or not such professional management company is owned or controlled by the Grantor) shall provide for a term in excess of two (2) years and all such agreements shall permit the Association to terminate for cause upon not more than thirty (30) days' prior written notice and all such agreements shall provide for termination by either party without cause and without payment of a termination fee on ninety (90) days or less written notice.

h. The Association shall obtain and maintain in force the following policies of insurance:

1. Fidelity Bond: The Association shall procure and maintain a fidelity bond naming the Association as obligee in an amount equal to the estimated maximum amount of funds to be in the custody or control of the Association or its professional management company, including reserves for replacement and working capital, at any given time during the term of such bond, but in any event in an amount at least equal to three (3) months' aggregate monthly assessments on all Lots plus the sum of all reserve funds. Such fidelity bond shall cover all officers, directors, trustees and employees of the Association and all other persons handling or responsible for funds of or administered by the Association, including the officers, directors, employees and agents of the professional management company employed by the Association pursuant to these Restrictions. Provided, however, that the fidelity bond to be procured by the Association need not cover the professional management company and its officers, directors, employees and agents, if such professional management company provides a sufficient fidelity bond naming the Association as an additional obligee or loss payee. Such bond shall contain a waiver of any defense or exclusion based upon the exclusion of persons serving without compensation from the definition of "employees" or other similar terms or expressions. Such bond shall require at least ten (10) days' prior written notice to the Association of cancellation or substantial modification (including cancellation for non-payment of premiums). The cost of such fidelity bond (except for premiums on any fidelity bond provided by the professional management company which the Board determines to be satisfactory and in compliance with the provisions of this Section) shall constitute a common expense of the Subdivision.

2. Liability Insurance: The Association shall procure and maintain comprehensive public liability insurance in the amount of at least one million dollars (\$1,000,000) per single occurrence for bodily injury, death and property damage suffered by the public or any Owner and his family, guests, agents, employees or invitees occurring in, on or about the Easement Areas. Such policy shall insure the Owners and the Association and its officers, directors, employees and agents, including expressly the professional management company and its officers, directors, employees, agents, and (ii) employment contracts of every nature to which the Association is a party. Such policy shall be issued by insurers of recognized responsibility authorized to do business within the State of New Mexico and shall require at least ten (10) days' prior written notice of cancellation or substantial modification (including cancellation for nonpayment of premiums) to the Association

and to any Mortgagee having a first lien against any Lot which is listed as a scheduled holder of such a first mortgage in the policy. The cost of such policy shall constitute a common expense of the Subdivision. Such insurance must not provide for contribution with regard to any policies of liability insurance carried individually by any Owner.

3. Additional Insurance: The Board shall have the authority to obtain such other insurance, including the authority to increase the scope or amount of any insurance required by this Article 5, as the Board shall determine to be necessary or advisable. The cost of any such additional insurance shall constitute a common expense of the Subdivision.

i. The Association shall prepare an annual operating statement reflecting the money received by the Association and the expenditures of the Association for each fiscal year and distribute such statement to each member and each Eligible Mortgagee upon request.

j. The Association shall take such action, whether or not expressly authorized by the Subdivision Restrictions, as may reasonably be necessary to enforce or carry out the purposes of the Subdivision Restrictions.

#### ARTICLE 6 Funds, Assessments and Delinquency

##### Section 6.01: Creation of Lien and Personal Obligation for Assessments.

Grantor for each Lot owned by it hereby agrees to pay, and each Owner of any Lot by the acceptance of a deed or contract of sale therefor, whether or not so expressed in any such deed or contract or other conveyance, is deemed to agree to pay to the Association (a) maintenance assessments, (b) delinquency assessments, and (c) all other fees or other moneys due to the Association from such Owner.

The maintenance assessment, delinquency assessment, plus interest, late charges, costs and attorney's fees, shall be a charge against the Lot and shall be a continuing lien upon the Lot against which each such assessment is made, and shall also be the personal obligation of the Owner or Owners of such property on the assessment date. The personal obligation to pay assessments shall not pass to successors in title unless expressly assumed by them.

##### Section 6.02: Operating Fund.

There shall be an operating fund, into which the Association shall deposit all monies paid to it, and from which the Association shall make disbursements in performing the functions for which the foregoing assessments are levied.

##### Section 6.03: Maintenance Assessment.

a. Within thirty (30) days prior to the commencement of each fiscal year the Association shall estimate the costs and expenses to be incurred by the Association during such year, including a reasonable provision for contingencies, and reserves for major repair and replacement, and shall subtract from such estimate an amount equal to the anticipated balance, exclusive of any reserves for contingencies and reserves for major repair and replacement, in the operating fund at the start of such year. The sum or net estimate so determined shall be assessed to all Owners in shares: one (1) share for each Lot owned.

b. If, at any time and from time to time, during any fiscal year, the maintenance assessment proves or appears likely to prove inadequate for any reason, including non-payment of any Owner's share thereof, the Association may levy a further maintenance assessment in the amount of such actual or estimated inadequacy, which shall be assessed to all Owners apportioned as provided in subsection a., if approved by a two-thirds (2/3) vote of the members.

c. Maintenance assessments shall be due and payable to the Association when levied or in such installments during the year, and on such due dates as the Board shall designate.

d. The Board shall not levy assessments to defray the costs of any action or undertaking on behalf of the Association which in the aggregate exceed five percent (5%)

its duly authorized agents, shall have the power to bid on the Lot at a foreclosure sale, and to acquire and hold, lease, mortgage and convey the same.

Section 6.09: Curing a Default.

Upon the timely curing of any default for which a notice of claim of lien was filed by the Association, the officers of the Association are hereby authorized to file or record, as the case may be, an appropriate release of such notice, upon payment by the defaulting owner of a fee, to be determined by the Association, to cover the costs of preparing and filing or recording such release, together with the payment of such other costs, interest or fees as shall have been incurred.

Section 6.10: Cumulative Remedies.

The assessment lien and the rights to foreclosure and sale thereunder shall be in addition to and not in substitution for all other rights and remedies which the Association and its assigns may have hereunder and by law, including a suit to recover a money judgment for unpaid assessments, as above provided.

Section 6.11: Certificate of Payment.

The Association shall, upon demand, furnish to any Owner liable for assessments, a certificate in writing signed by an officer of the Association, setting forth whether the assessments on a specified Lot have been paid, and the amount of the delinquency, if any. A reasonable charge may be made by the Board for the issuance of these certificates. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 6.12: Commencement of Annual Assessments.

The Maintenance Assessments provided for in this Article shall commence on each lot one hundred twenty (120) days after the original conveyance of each Lot from Grantor, regardless of whether or not a home or other improvement has been constructed. Until all Lots have been conveyed by Grantor, in the event that the Maintenance Assessments are insufficient to provide for the financial viability of the Association, then Grantor agrees to fund the shortfall of the Association, as determined by Grantor. Grantor's obligation to fund this shortfall shall not exceed the assessment which would be assessed against the Grantor's Lots if Assessments had commenced against the Grantor's Lots.

ARTICLE 7

Duties and Responsibilities of Owners

Section 7.01: Owner's Responsibility to Repair.

Each Owner shall be responsible for the maintenance and repair of his dwelling, his Lot, his landscaping and all of his perimeter walls, except for the exterior of perimeter walls facing the Open Space Tracts which shall be maintained by the Association.

Section 7.02: Joint Maintenance by Owners.

a. Each wall which is built as part of the original construction of the Subdivision, and placed on the dividing line between Lots, shall constitute a party wall. Each part of the structure of a building which is shared by more than one dwelling is a common structure. To the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omission shall apply.

b. The cost of reasonable repair, maintenance and replacement of a party wall, common structure or joint utility shall be shared by the Owners who make use of the wall in proportion to such use.

c. Notwithstanding any other provision of this Section, an Owner who, by his negligent or willful act, causes a party wall or common structure to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

d. The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the Lot and shall pass to such Owner's successors in title.

e. In the event of any dispute arising under the provisions of this Section, the Board shall arbitrate the dispute and its decision shall be final.

The Committee shall have the right and power to disapprove any plans, specification or details submitted to it, if the Committee shall find that the plans and specifications are not in accord with all provisions of this Declaration, or if a design or color scheme submitted is not in harmony and accord with the Subdivision, or surrounding homes, or if the plans and specifications are incomplete. The Committee shall have the right to consider the impact of proposed Improvements upon the views from other Lots, but the Committee shall be under no obligation to preserve views, or to deny approval of plans for Improvements which will, or may, impair views.

c. Notwithstanding other provisions in this Section, the limitations, restrictions, covenants, and conditions of the Subdivision Restrictions shall be deemed independent and severable, and the invalidity or partial invalidity of any provision, or portion thereof, of any of such limitations, restrictions, covenants, or conditions shall not affect the validity or enforceability of any other provision.
